RE: April Quarterly Report (01/01/06 - 03/31/06)

In reference to your letter of May 19, 2006 regarding the Good Government for America Committee's April Quarterly Report, the Committee has filed an amended report.

The new report corrects the clerical error made on the original April Quarterly Report, where a contribution refund was reported on Line 16.

Your letter states that "reports filed by your committee do not appear to disclose an original contribution received" from BAE Systems USA PAC. However, on the 2003 July Mid-Year Report (01/01/03 - 06/30/03) page 8 section C (Transaction ID: 0401200347C615646) we reported a contribution of \$2,500 from the BAE Systems USA PAC.

Should you have additional questions or concerns you can contact the committee directly at (703) 589-7546.
